

Recruitment Policy

At the **Department of Holistic Education**, we firmly believe in the potential of young minds to bring fresh perspectives and innovative ideas to our Department. We are delighted to offer a range of internship opportunities open to students from diverse academic backgrounds and fields of study. These internships cover various domains related to Holistic Education, including

Branch Specific

1. **Computer Science, IT, Software Engineering, Electronics, Computer Engineering, BCA, and all computer-related fields:** Dive into the world of Full Stack Development, AR/VR Technologies, Artificial Intelligence, App Development, and Web Designing.
2. **Electrical and Mechanical Engineering:** Join us in the promising fields of E-Vehicles and Solar Power, working on sustainable energy solutions.
3. **Civil and Architecture:** Participate in projects related to Institutional and School Building Planning and Water Harvesting, contributing to greener and more efficient educational infrastructure.
4. **Chemical Engineering:** Explore the world of Battery and Energy Systems for E-Vehicles and Solar Power, contributing to clean and renewable energy sources.
5. **MBA Graduates:** Bring your coordination and project management skills to play a pivotal role in driving our initiatives forward.

Open for All Branches

1. **Ed Tech Enthusiasts:** Regardless of your field of study, if you're passionate about online teaching, content development, and designing, we encourage you to join our team and shape the future of education.
2. **Publication:** The V.B Educational Trust of the Department of Holistic Education has over 100 titles in its library. The Department publishes a comprehensive journal, "Viksit India," and several books, including "Recent Advances in School Education." This is an opportunity for young minds to contribute to the modernization of India's ancient education system.
3. **Digital Marketing/Creative Writing:** Any graduate or postgraduate with an interest in digital marketing and creative writing can apply for this role.
4. **Promotion and Marketing:** The Department of Holistic Education is a dedicated department of Vidya Bharti, the world's largest education NGO, running more than 25,000 schools across the globe. We are looking for individuals with a keen interest in promoting brands, schools, college education, books, and values through our programs.
5. **E-commerce/Social Networking:** If you have innovative ideas for developing e-commerce platforms and social networking sites, this is your opportunity.
6. **Animation/Gaming:** If you have innovative ideas for developing educational games and animation of educational content, this is your opportunity.
